

Automotive MEGA Fuse Holder

Model SWEMEGA01

This specification defines the material, electrical rating, flame-retardant performance, and dimensional reference for the SWEMEGA01 automotive fuse holder.

Product name	SWEMEGA01 Automotive MEGA Fuse Holder
Housing material	Plastic and nylon
Contact terminal material	Brass
Operating voltage	125 V
Rated load current	600 A
Flammability rating	UL 94 V-0
Compliance	RoHS

Dimensional Drawing

Note: Dimensions and tolerances shown in the drawing govern product inspection.
